

# SAGAMORE RECONSTRUCTION

MILESTONE CONTRACTORS, L.P.  
CONSTRUCTION NEWSLETTER #15  
September 5<sup>th</sup>, 2017

## PROGRESS TO DATE

Underground work has continued on Sagamore and Kossuth. We are getting close to finishing the storm pipe on Sagamore and Kossuth St. We will continue to work on the underground storm pipe for this week. We will start on removing the old concrete road soon.

Working around lots of existing utilities underground.

## UPCOMING WORK

Storm pipe will continue on both Sagamore and Kossuth St. Removals of the old concrete pavement will start soon.

## SAFETY REMINDER

Thank you everyone for your patience as we moved traffic onto the Northbound lanes. Please help us complete the project by respecting the closure on Kossuth St.

Cutting grade for the new pavement on Kossuth

## UPCOMING CLOSURES & DELAYS

We are currently a ways off from any traffic pattern changes. Kossuth will remain closed through the fall so we can start our work on Kossuth.
